Welcome **new members**, Paul Ertle and Dave Ignatko!

At this first meeting of the year, we reviewed our **2019 budget**, and expect to be back in black this spring. A couple financial options we briefly discussed include saving cash to upgrade mowing equipment or contract a lawn service next year, or possibly install a basic solar charging station this summer. If this is something you'd really like to see at the field, let me know and we'll prioritize it.

Our first **indoor flying** season has been a success! We've had more than enough participants to recoup the rental fee, and those who attend have enjoyed flying or just hanging out among friends. Join us if you can at Edison Middle School (20 Center St, Berlin Heights) on Friday evenings through March (except 3/1). Guests welcome!

As always, please try to submit your **membership dues** by April 1st. The cost structure is unchanged: Standard Adult \$50, Senior (65+) \$30, Youth (<18) \$10. Our monthly meetings provide a good time to pay, but if you can't join us there, we offer alternatives. If you mail it in, please **make the check payable to "Marc Daniels"**. If possible please include a completed membership application, even if you're already a member, to facilitate with record keeping. You can download/print applications from our website, at this link (<https://www.lzrcclub.com/newsletter-documents>). As a new option, if you are a current member and prefer to pay online, just send me an email and I will provide a PayPal link for you.

This spring we intend to apply weed & feed to **the field** again, and possibly re-seed any areas that have not filled in well. We will also repair/re-apply the runway's center seam tape again, where an unidentified critter ripped it loose.

This year we plan to compensate members who **mow the field**, at \$5 per cut, per person. However, if you're interested in becoming a dedicated groundskeeper for the season, please let me know and we will determine a feasible salary.

We agreed to move this year's **Fun Flies** to the first Saturday of each month, and will kick them off on May 4th.

For now, we will continue to hold all **club meetings** on the 3rd Tuesday of each month. If you have a strong preference between Tuesdays or Thursdays, please let me know. We are open to changing the day if it helps more members attend.

Our **next club meeting** will be **Tuesday, March 19** -- 7:00 PM at Marc's

Jeff Williams
Secretary, LZRC
