Due to poor weather, our meeting was postponed until Tue, Aug. 21 (from the 16th). Unfortunately, it rained this day too, so we held a cozy convention in Bill's garage.

Please note that **future club meetings will also be on Tuesdays**, due to recent schedule conflicts. We hope this works for most members and apologize for any inconvenience.

Welcome **new members**, Christopher First, Dan Zaleski, Wayne Orndorff, and Paul Nemitz! Thanks to these folks, we've hit 40 members!

The **raffle drawing** was held, and all three winners have been contacted live. Congratulations if you were one of them! Though we only sold about half the tickets, it was still beneficial to the club. Thank you to all who participated, and to Mr. Hawkins for the donation!

It was another very warm day, but our 2nd **Fun Fly** turned out well, with comparable attendance to our first event. With our giant canopy and several pop-ups, there was plenty of shade and a cooling breeze. Side note: Our giant canopy was severely damaged by a storm the following day, and we decided not to invest in its repair. For now, Bill has made a pop-up available for temporary use as needed. Our next **Fun Fly** is scheduled for Sunday, Sept. 2nd!

September sneaked up on us and we do not have any **mowing volunteers** for the month. So, if you can help out, please let me or Bill know what day(s). For now, we only have the John Deere, but hope to put the Huskee back in service soon.

Our fire extinguisher was used at the field a couple months ago, so Bill has replaced it (with a larger one). In case you hadn't heard, while both of our tractors were out of service, Casey kindly mowed the field with his own mower (Thanks again, Casey!). But unfortunately it made the ultimate sacrifice when it caught on fire!

Details on our upcoming **Swap Meet** are now posted on the website, along with a flyer you can download, print and/or distribute. An ad should also appear in the October issue of the AMA's *Model Aviation* magazine.

Our **GroupMe texting list** is up to 16 members. If you'd like to be added to receive meeting/event reminders and invitations to fly, just let me know.

See you at the Fun Fly!

Secretary, LZRC
