Wednesday
Nov 20, 2019

7:00 PM
at
Marc's

Flying field status as we conclude the 2019 season...

No more mowing is planned for the year. If you visit the field and think something should be addressed, let us know. The critter that tore up our runway center strip tape last year recently returned to do it again! We will probably wait until spring to patch it up.

Members that attended the **EAA Family Fun Day** at *Hinde Airport* reported that attendance was low, but flying conditions and reception were very good. As a result, there may be future opportunities for LZRC to participate in other events there.

Our final **Fun Fly** on the 13th was canceled due to very high winds. Mother Nature didn't cooperate nicely for our planned gatherings this year, but I'm hopeful she'll be in a better mood next year!

Bill just procured access to the Edison Middle School (Berlin Heights) gymnasium for **Friday indoor flying** again this winter! It begins Nov. 15 and runs through March, with just four dates unavailable to us. To cover the rental cost, the pilot fee will be same as last year: \$20 for entire winter, or \$5 per session. A detailed flyer will be sent out soon. If you are interested, feel free to show up any week and submit payment to a club officer.

We have reservations for our annual **club Christmas dinner** at Martino's (Vermilion) for December 15th at 4:00 PM. Join us if you can!

In an effort to accommodate as many members/officers as possible, we are shifting our monthly meeting day again... to the **3rd Wednesday of the month**. So, our next meeting will be **Nov. 20**. With school activities in full swing, this may not be the last adjustment we make during the fall/winter season. I will keep you posted of changes, and you can typically trust the calendar on our website too. Thank you for understanding.

Jeff Williams
Secretary, LZRC
