7:00 PM
at
Martino's
Cafe

Welcome **new member**, Gene Goff!

In case you missed it... the return of **LZRC's annual swap** meet went well. Our advertising efforts got the word out, and we completely sold out the venue with 22 tables. But there is always room for improvement, so we're already considering some potential changes for next year's event. In addition to a lower admission fee, having it on a Saturday (vs. Sunday) and a few weeks earlier (for warmer weather) would increase the amount of local traffic and passers-by.

Thank you to all who participated or contributed, especially to **Daniels Hobbies** and **Stacy Tent Table & Chair Rental**. It wouldn't have been such a success without them. So please consider these kind folks for your next hobby or party rental needs.

The port-o-potty has been cleaned & winterized at the field, but may still be used... if you happen to get out there during the "off" season.

Within the next few weeks, the officers expect to distribute gift cards to our **immediate neighbors** on Thompson Rd.

Big news... Bill found an **indoor flying** venue for us! Beginning Nov. 30, we will have access to the Edison middle School gymnasium (20 Center St, Berlin Heights) almost every Friday evening from November 30 to March 29. To cover the expense, LZRC club members can buy a season pass for just \$20, and non-members can fly for \$5 per night. More details will be provided soon.

To conclude our meeting, Chris and I presented his Super Cub that we recently converted to a **night flyer**, using a combination of 12V white and programmable RGB LED strips, illuminating through the foam. I explained the hardware and basic wiring configuration, as well as a few additional lighting options that are available. These aren't the greatest photos, but you get the idea!

Our **next club meeting** will be **Tuesday, Dec. 18** -- 7:00 PM **at Martino's Cafe** (4415 Liberty Ave, Vermilion). **** Please RSVP if you plan to be there ****

But before then, I hope to see you at an Indoor Fly!

Jeff Williams
Secretary, LZRC
